## TERMS AND CONDITIONS

### Scholarship Programme Rules

1. All applications must be submitted online. Manual or paper-based applications will not be accepted.
2. Scholarships are available exclusively to South African citizens.
3. Scholarships are awarded on an annual basis for the duration of the relevant programme.

  - A general application to the institution
  - Proof of payment of the application fee
  - A certified copy of the required academic transcripts (as specified below)
  - A motivational letter
5. The closing date for submission of scholarship applications is 14 November 2025. It is the applicant's sole responsibility to ensure that both the scholarship application and all required supporting documentation are received by IIE MSA by this deadline. Incomplete applications or those submitted after the deadline will be disqualified under all circumstances.
6. Admission to study at IIE MSA is a separate process from the scholarship application. A scholarship application will only be considered if a general application to IIE MSA has been submitted and the applicable payment received prior to the scholarship application deadline.
7. Successful scholarship applicants will be selected and notified during November 2025.
8. Final acceptance to study at IIE MSA is subject to meeting all entrance and admissions criteria, irrespective of any scholarship offer. Should a candidate be awarded a scholarship but fail to meet the admission criteria at the point of registration, the scholarship will be withdrawn.
9. Applicants may apply for consideration for up to three programmes (e.g., Bachelor of Commerce in Law, Bachelor of Laws, Bachelor of Arts in Law). These preferences must be ranked in the scholarship application.
10. Scholarship recipients must confirm their acceptance and complete the admissions process by the deadlines set out in their scholarship offer letters. Failure to do so will result in the scholarship offer being revoked and reallocated to another eligible applicant. Applicants who are not initially awarded scholarships but who meet the requirements may be placed on a national waiting list.
11. Scholarships are valid only for the academic year in which they are awarded and may not be deferred. Applicants who do not commence their studies at IIE MSA in the applicable year will be required to reapply in a subsequent year.

### Scholarship Programme Selection Criteria

  - Return a signed copy of the scholarship offer letter
  - Pay a non-refundable pre-registration fee of R3 000 by the stipulated date in the offer letter
