2 years part-time

NQF Level 8

Min. 120 credits

SAQA ID: 88604

### WHY STUDY BUSINESS SCIENCE HONOURS?

The IIE Bachelor of Business Science Honours aims to develop critical thinking and reflective skills in graduates holding a Bachelor of Commerce (with one of the management disciplines at NQF level 7) or equivalent degree. In line with industry demand, this degree will build on a broad knowledge base of business developed at undergraduate level in order to deepen students' insight and expertise in the core fields of management. This degree aims to extend students' knowledge on contemporary management theories in the modern-day business context. Students will engage with various management theories, research methodologies and techniques with the aim of applying and advancing their knowledge of the contemporary business world. This qualification will provide students with the expertise and in-depth theoretical knowledge in management that will support their progression in an organisation, producing a well-rounded, industry-ready post-graduate student.

### CAREER OPPORTUNITIES

Business consultant | General manager | Entrepreneur | Corporate social investment manager | Business management analyst
